

TrailBlazer GripKit

rugged. interactive

Add interactive climbing games to your junior bouldering wall.

Product Description

Create your own beginner-friendly climbing layout using a combination of **interactive and inert easy-to-hold hand grips and foot grips**. Choose between **team climbing games** and **race mode** options. GripKit will widen the appeal to a younger audience and those with a competitive instinct.

Product Highlights

- Unique **easy-to-hold grips** suited to all ages from 3 years and up. Unlike traditional bouldering grips, ours are designed to be comfortable on both hands and feet.
- Climbers press out multi-colour **light-up LED grips** to score points.
- Programs for **group climbing games** or **individual competition**.
- Ideal for use with a leaderboard, encouraging users to come back again to beat their score.
- **Timed games** increase user throughput.
- Perfect for **birthday party** challenges.
- **Minimal staffing** requirement for trampoline parks and indoor play centres.

Product Details

TrailBlazer GripKit is suitable for installing on both a new climbing wall, and for retrofitting to transform an existing bouldering area.

Ideal in trampoline parks, bouldering centres or FEC's, GripKit works well over soft matting or on climbing walls above foam pits.

Use GripKit hand and foot grips on their own, or combine with existing 'traditional' hand grips.

- #1 16 multi-colour interactive LED hand grips
- #2 50 inert hand grips and 24 inert foot grips
- #3 Exciting game programs for individuals, pairs and multi-player activity*
- #4 Innovative easy-grip holds
- #5 Electronic scoreboard sound system
- #6 Cabling for a 3 x 8 m maximum wall space

*Subject to continuous improvement

TrailBlazer GripKit Formats

1. **Group Mode** – featuring two game programs, 'Cascade', a fast and frantic group challenge, and 'ChaserX4', a game for up to 4 competing players or pairs. Fantastic for party groups and free-climbing.
2. **Race Mode** – featuring three game programs, 'Race to the End', 'Race and Return' and 'Race to the Middle'. Excellent for individual and small group competitions.

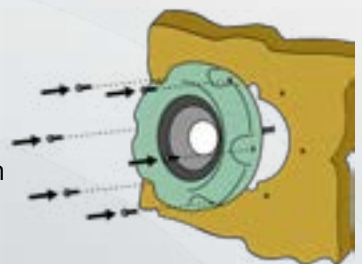

What's In the Box?

Installation

Get creative with your climbing layout, with GripKit it is your choice!

A recess will need to be cut out for each grip to sit in, tighten the screws, position the electronic scoreboard, connect the interactive grips and you are ready to enjoy your new climbing experience!

Specifications

Installation: GripKit must be mounted into properly secured panels, fitted by a competent installer and assessed to be safe and fit for purpose. Keep indoors and dry. Avoid extreme fluctuations of temperature (optimum: 5°C to 30°C).

Grip Dimensions: 190 mm diameter x 140 mm (D)

Power Supply: AC: 110-230V, 50-60Hz, 13A

Regulatory Requirements: CE Approved.

Warranty: 1 year on electronics. 3 years on all other parts.

Other: All parts designed for easy maintenance. Replacement grips can be swapped out by staff.
